6  
78 UNITED STATES DISTRICT COURT  
9 FOR THE WESTERN DISTRICT OF WASHINGTON  
1011 UNITED STATES OF AMERICA, )  
12 Plaintiff, ) No. CR05-5365  
13 v. ) ORDER CONTINUING TRIAL  
14 FRANKLIN G. PROCELL, ) DATE  
15 Defendants. )  
1617 Defendant FRANKLIN G. PROCELL moves to continue trial.  
18 The defendant is in the process of obtaining his WA Driver's  
19 License. The defense submits the need for a continuance  
20 outweighs the public's interest in a speedy trial. The  
21 government does not object. In view of the parties' agreement  
22 to continue the trial date and the defendant's knowing,  
23 voluntary, and intelligent waiver of his right to a speedy  
24 trial, this Court finds that the ends of justice served by  
25 granting a continuance outweigh the best interest of the  
26 public and defendants in a speedy trial.27 The defendant's motion for continuance is GRANTED. The  
28 current trial date is stricken and the new trial date is May
